PROFILE

Final-year undergraduate at the University of Peradeniya pursuing a B.Sc. (Hons) in Statistics and Operations Research, with a strong academic background in Operations Research, Statistics, and Computer Science. Interested in applying analytical thinking, optimization techniques, and data analysis skills to solve real-world problems and support data-driven decision-making. Strong teamwork, communication, and leadership abilities with the capability to work effectively in professional environments.

EDUCATION

University of Peradeniya
B.Sc. (Hons) in Statistics and Operations Research
– **Current GPA:** 3.7305 / 4.00
– **Core Areas:** Operations Research, Statistics, Computer Science, Mathematics

2022 – Present
Sri Lanka

TECHNICAL SKILLS

Programming: Python (NumPy, Pandas), R, Java
Data Visualization & BI: Power BI, Tableau
Database: MySQL
OR & Simulation Tools: LINGO, FlexSim
Office Tools: Microsoft Excel, Microsoft Office Suite

PROJECTS

Optimization of Centralized Waste Processing Facility Locations for BOI Zones
– Developed an optimization model to identify suitable locations for centralized waste processing facilities in Sri Lankan BOI zones.
– Analyzed transportation costs and waste allocation patterns for sustainable waste management decisions.

AtliQ Hardware Sales Insights Dashboard
– Designed interactive dashboards and analyzed sales trends using SQL and Tableau for business intelligence.

Multivariate Analysis of Infrared Thermography Dataset
– Applied PCA, Factor Analysis, and Canonical Correlation Analysis to analyze and simplify a 33-feature thermography dataset.

Customer Shopping Behavior Analytics Dashboard
– Analyzed 3,900+ customer records and created Power BI dashboards to visualize sales trends and purchasing behavior.
– Provided data-driven suggestions to improve inventory management and business decision-making.

Python, Streamlit
Tableau, SQL
Python, PCA, FA, CCA
Python, Power BI

LEADERSHIP & VOLUNTEERING

AIESEC in Kandy
Leadership Positions
– Team Leader – Business to Customer, Outgoing Global Volunteer
– OC Member – Delegates Department, Trailblazers 2024
– Specialist – Expansion Development, Outgoing Global Exchange

Science Undergraduate Research Symposium 2025
Organizing Committee Member
We Lead – Career Skills Society
Research and Development Team Member
STEMUP Educational Foundation
Volunteer

2024 – 2026
Sri Lanka
2025
University of Peradeniya
2025 – 2026
University of Peradeniya
2025 – Present
Sri Lanka
